Enable course link to Ares

1. Login to Brightspace

2. Select your course and then “Table of Contents”

3. In “Add a module”, write the name of the course module you want to create. (Example: Link to Ares)
4. From the "Existing Activities" dropdown menu, select "External Learning Tools"

5. Next, in "Add Activity", select "Link to Ares E-Reserves – English" (or "Lien aux Réserves électroniques Ares – Français" depending on the course language). You can create both if you wish, simply repeat this last step.
6. The end result should look as follows:

7. Finally, test the link to make sure it is working

If you chose to add both links:
